

Case Study

More than just a tick

A Client Review of Southpac Certifications: By Austructure

Who is Austructure?

Austructure supplies specialist FRP and Labour Hire resources to the civil and construction industries. With a team of skilled and qualified tradesmen and a record of proven experience, Austructure offers end-to-end client experiences that include seamless communication, budgeting, staffing, on-site organisation, and solid, quality-focused teamwork, every time.

What Standards/Regulations of Compliance

Austructure adheres to the WHS regulations and codes of practice for all states as well as standards proposed by their major clients such as TMR, Queensland Rail and others.

With regards to systems implementation, Austructure have implemented an integrated management system to the following standards: ISO9001:2015 (Quality), ISO14001:2015 (Environmental) and AS/NZS 4801:2001 (OHS). Most recently, Austructure has implemented ISO 20400 (Sustainable Procurement).

How were Southpac Certifications 'more than just a tick'?

"Southpac offered consistently great service and advice throughout the entire process right through until the final audit."

Want your organisation's certification to be more than just a tick?

Southpac Certifications is committed to helping organisations get the most benefit from their certification; from the initial stage one audit, throughout the year and for each ongoing surveillance audit, we're with you.

"Southpac helped us to reach this important milestone of getting our ISO accreditations, which has opened the door to many opportunities for Austructure. Thank you, Southpac team."
